Email 1: Request for Assignment Extension

Subject -:Request for Extension on Assignment Submission

Dear Professor,

I hope you are doing well. I am writing to kindly request an extension for the submission of my assignment due to [mention reason briefly, e.g., health issues/personal reasons].

Due to this situation, I have been unable to complete the assignment to the best of my ability within the given deadline. I sincerely value the course requirements and would appreciate it if you could grant me an extension of a few days.

Thank you for your understanding and consideration.

Yours sincerely,
Aryan
